Rates for Years FY 2016 and FY 2017 will be negotiated prior to July 1, 2015. Negotiations for rates for FY 2016 and FY 2017 will commence on or about January 31, 2015. If DCF and Contractor have not mutually agreed to a new rate on or before April 30, 2015, the default rate shall be that which was in effect for the FY 2015. Such process will be followed for each optional renewal period.

Payments will be made retrospectively on the third business day following the month of service. There will be two types of payments. A base payment will be made each month to cover the Contractor's fixed costs. This payment is independent of the caseload. There will also be a monthly case rate paid for each child out-of-home placement on the last day of the previous month. The following table shows the applicable rates for the 4 contract years.

Payments will cease (no payment will be made) for the service month in which one of the following events occurs.

- A) The child is reintegrated with their family, i.e., returns to their home.
- B) The child achieves finalization of adoptive placement.
- C) The child is placed in permanent custodianship.
- D) The child is transferred to JJA (This action nullifies the 12 month aftercare requirement).
- E) The child is transferred to tribal custody (This action nullifies the 12 month aftercare requirement).
- F) The child is released from DCF custody for other reasons not specified above.
